### 5 Lifetime warranty - Buy in confidence

Every Colonial Clothes Airer we produce carries our lifetime warranty against failure due to faulty parts or workmanship. The rack itself features Antique Black epoxy coated metal ends hand-cast in the traditional way. The four rails are crafted from specially selected Western Red Cedar which is renowned for its warp-resistant stability. These cedar rails are treated with a moisture resistant clear coating which also enhances the natural grain of the wood. All other components are selected for their quality and durability to give years of trouble free service.

### 6 Other uses too ...

Colonial Clothes Airers can also be used for drying flowers, hanging cooking utensils or a multitude of other uses - the choice is yours.

### 7 Value for money

All these features add up to a product that greatly exceeds the price you pay, as many satisfied users can confirm.
